I serve as the Chairman of the Thomaston Planning and Zoning Commission. Yesterday, 5/21/24, I received the attached letter and audio recording. What it amounts to is current selectmen Mike Burr knowingly holding an illegal meeting - and proclaiming "I don't really give a shit" about it - and current selectman Jeff Dunn conspiring on how to cover it up.

I am escalating this to the State level because it involves two of the three members of the Thomaston Board of Selectmen and Thomaston does not have an internal Ethics Commission.
