Re: Freedom of Information Act Request

Dear Attorney Jensen,

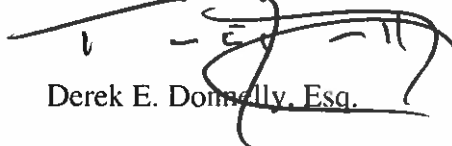

This letter is in response to the FOIA request from Neil and Annie Hornish dated July 14, 2023. The documents requested are available to be picked up in the Town Clerk's Office. There are 100 documents responsive to the request which have been printed out to pick up, including spreadsheets kept in the regular course of business and invoice cover sheets. The cost of those documents at .50 a copy is \$50.00. Please have your clients bring a check payable to the "Town of Suffield" to the Town Clerk in order to receive the responsive document.

Please note that the Town claims attorney client privilege in the invoices that correspond with the invoice cover sheets. The invoice cover sheets are specifically produced in the course of business so that the Town can maintain that privilege. The invoices in which the Town claims privilege correspond with the dates of the coversheets produced. Other than those invoices, there are no other documents responsive to this request.

If your clients are not satisfied with the responses to their requests, they may appeal to the Connecticut Freedom of Information Commission. More information about the FOIC appeals process can be found on their website at <https://portal.ct.gov/FOI>.

Please let me know if you have any questions or concerns.

Yours Very Truly,

Derek E. Donnelly, Esq.
