Dear Mr. Carbone,

Under the Connecticut Freedom of Information Act § 1-200 et seq., I am requesting all emails and correspondence relative to the matter involving East Haven High School and their request to participate in the SCC Hockey tournament.

I would prefer electronic copies of the documents I seek, which is consistent with the Connecticut Freedom of Information Act mandate that electronic documents should be provided by the agency receiving the public records request if the agency can reasonably make such copy or have such copy made.

If there are any fees for copying these records, please inform me if the cost will exceed \$25. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest. This information is not being sought for commercial purposes.

The Connecticut Freedom of Information Act requires a response within four business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. If you have any questions regarding the Connecticut Freedom of Information process you can contact Russell Blair, Director of Education and Communications at 1-860-566-5682.

Thank you for considering my request.

Sincerely,

Chris Everone,
Facilities Manager
West Haven Board of Education
