Good Evening,

Please accept my apologies for sending this letter of support to accompany my CT Communities Challenge Grant application after the application submission. As stated previously, Society of Human Engagement and Business Alignment (SHEBA) has the City of Hartford's support on this project. That said, I wanted to ensure I forwarded the letter of support from Mayor Bronin. I've included a copy of my application again in the event you need a copy. Thank you for your consideration. Please do not hesitate to reach out to me if you have any questions.

Take Care,

Sonserae Cicero
