**Contract Number:** 23DSS4301TO

**Amount as Amended:** \$75,000,000.00  
**Contract Term as Amended:** 10/01/2023 to 09/30/2026

---

The Contract ("Contract") between New Opportunities, Inc. ("Contractor" or "NOI") and the Connecticut Department of Social Services ("Department" or "DSS"), which was originally executed by the Parties and approved by the Office of the Attorney General on 11/06/2023, and later amended on 10/25/2024 and 9/30/2025, is hereby further amended as follows:

1. The Parties agree to memorialize the following facts:

- a. On or about November 20, 2025, Eversource Energy ("Eversource"), a public utility company that participates in CEAP, informed DSS that approximately \$1,500,000.00 in CEAP funds for households serviced by NOI in Federal Fiscal Year ("FFY") 2025 were outstanding. Upon further review, DSS determined that NOI had failed to pay approximately \$2,411,500. in CEAP funds owed to Eversource. DSS also determined that NOI used CEAP funds to support other NOI operational costs without DSS approval or consent.
- b. By letter dated December 22, 2025, DSS notified NOI of its failure to make timely payments to Eversource pursuant to Part I, Section C.1.k.ii of the Contract. The letter further advised that due to NOI's failure to comply with Part I, Section H.1.e. of the Contract which provides that NOI must place LIHEAP funds in a distinct interest-bearing account and manage those funds in compliance with federal laws governing account and payment procedures, that DSS was exercising its rights to pay make direct payments to vendors where the household's primary source of heat is a utility, pursuant to Part I, Section H.1.f.
- c. Analyses by CohnReznick, a financial consulting and accounting firm retained by the State of Connecticut to perform the services of a fiscal intermediary with respect to NOI's current operations with all Connecticut state agencies, indicate that, potentially, over \$541,000 in LIHEAP funds provided by DSS to NOI for the purpose of making utility assistance payments to deliverable fuel vendors may have, likewise, been used by NOI to support other NOI operational costs and are no longer available to support payments under CEAP. As of the date of this Amendment, such outstanding, past due amounts remain under continued review; and

- d. As the in-depth analyses of NOI's finances and operations continue, it is anticipated that DSS shall be required to expend, in the immediate term, state funds to cover some, if not all, of accrued and past-due LIHEAP funds transferred to NOI under its CEAP contract for the purpose of making timely payments to vendors under CEAP that NOI inappropriately utilized for other NOI operational expenses.
2. NOI shall cooperate with any reasonable investigation, forensic auditing, or examination of any kind, conducted by DSS or any entity retained by DSS or the State of Connecticut, of NOI's financial records including, but not limited to, the use, expenditure, disbursement, allocation of LIHEAP funds received by NOI during the term of this Contract.
3. DSS is contracting, at its own expense, with an independent consultant ("Consultant") to maintain oversight over financial and operational decisions of NOI and its affiliates as provided in more detail herein.
4. NOI shall fully cooperate with the Consultant to support ongoing compliance with Contract terms, including all responsibilities related to this Contract Amendment 3 (A3), as requested by the Consultant, and shall ensure that all NOI personnel, and shall direct any of its financial consultants or counsel to, cooperate with the Consultant as may be necessary.
5. The Consultant shall, provide services that include, but are not limited to:
  - a. Maintaining oversight over financial and operational decisions of NOI and its affiliates and immediately report to the State of Connecticut Office of Policy and Management ("OPM") and DSS, any decision that, in the Consultant's determination, may have a significant deleterious effect on the ability of NOI to provide for contracted social service programs to multiple agencies of the State of Connecticut, including but not necessarily limited to: DSS, the Department of Children and Families ("DCF"), the Department of Corrections ("DOC"), the Department of Housing ("DOH"), the Department of Economic and Community Development ("DECD"), Office of Early Childhood ("OEC"), and the Judicial Department ("JD"), (collectively, "social services").
  - i. For the purpose of this A3, "oversight" means observational vigilance to ensure that due diligence takes places before key NOI fiscal and operational decisions are made and that key risks are identified, monitored and rectified.
  - b. Reviewing and evaluating NOI's finances and operations, particularly as they affect NOI's ability to operate as a going concern, and report at least weekly on such review and evaluation to NOI's executive team and board of directors, in coordination and consultation with OPM and DSS.
  - c. Making recommendations to NOI's executive team, board of directors, OPM and DSS regarding NOI's financial situation and operations so as to (1) ensure the continuation of social services and (2) fully reimburse DSS for state funds utilized to cover NOI's past-due and accrued obligations for the expenditure of LIHEAP funds transferred to NOI under its CEAP contract for vendor payments. Such recommendations may include, but are not necessarily limited to, recommendations to terminate all or certain business activities, dispose of certain assets or business lines, and staffing recommendations. The Consultant shall also provide recommendations on available pathways to reimburse DSS for any state funds utilized to cover NOI's past-due CEAP obligations in as comprehensive and expeditious a manner as practicable.
  - d. Issuing a final report setting forth the results of the Consultant's review and evaluation in accordance with Section 5.b, and any recommendations made in accordance with Section 5.c of A3.
6. For the avoidance of doubt, the Parties understand that the Consultant's role is advisory, and Consultant shall not exercise any control over NOI. The Consultant assumes no operational responsibilities for NOI or

any of its affiliates. NOI shall retain full overall professional and administrative liability and responsibility for its finances and operations.

7. DSS shall continue to make direct payments to vendors where the household's primary source of heat is a utility, pursuant to Part I, Section H.1./.
8. As of the date of this Agreement, to the best of DSS's knowledge, NOI's past-due accruals to vendors under CEAP include approximately \$2,411,500.00 due to Eversource and may also include in excess of approximately \$541,000.00 due to deliverable fuel vendors. DSS shall utilize state funds to cover these past-due accruals under CEAP as follows: (1) a direct payment to Eversource in the amount of \$2,411,500.00 and (2) a transfer of state funds to NOI accounts for the sole purpose of payment of NOI's past-due accruals under CEAP to deliverable fuel vendors. NOI agrees to fully comply with policies and protocols for payment of such past-due accruals to deliverable fuel vendors as directed by DSS and as may be established by OPM or CohnReznick, in consultation with DSS. NOI shall provide proof of payment in whatever form DSS requests to demonstrate that it has fully complied with the terms of this provision.
9. NOI agrees to repay DSS in full for any and all expenditures of state funds paid by the state to replace NOI's past-due accruals under CEAP to both Eversource and deliverable fuel vendors. The total amount due from NOI for such repayment shall be calculated by DSS and will be confirmed by OPM. Not later than June 30, 2026, DSS and NOI, subject to approval by OPM, shall establish a mutually agreed upon repayment plan or schedule. If the Parties do not reach agreement on a repayment plan by June 30, 2026, DSS shall establish a repayment plan or schedule based upon its review of NOI's ongoing cashflow analyses at the time. Nothing herein shall be construed as limiting, restricting, waiving, or superseding, in any way or form whatsoever, DSS's available legal rights and remedies, civil or criminal, against NOI for violations NOI's obligations or responsibilities under this Contract, or of any other statutory or regulatory requirements, which may be sought in lieu of or in addition to the methods of relief referenced in this A3. The Parties anticipate that the Consultant's activities will be concluded by June 30, 2026, unless otherwise agreed.
10. All terms and conditions of the original Contract, and any subsequent amendments thereto, which were not modified by this Amendment remain in full force and effect.
11. Effective on and after 10/1/2025, Part II labeled TERMS AND CONDITIONS of the Contract shall be deleted in its entirety and replaced with the following:

- 5. **Suspension.** If the Agency determines in its sole discretion that the health and welfare of the Clients or public safety is being adversely affected, the Agency may immediately suspend in whole or in part the Contract without prior notice and take any action that it deems to be necessary or appropriate for the benefit of the Clients. In order to complete such transfer and wind down the performance, and only to the extent necessary or appropriate, if such activities are expected to take place beyond the stated end of the Contract Term then the Contract shall be deemed to have been automatically extended by the mutual consent of the parties prior to its expiration without any affirmative act of either party, including executing an amendment to the Contract to extend the Term, but only until the transfer and winding down are complete.

  - (3) Covered Entity shall notify Business Associate of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 C.F.R. § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.
- (j) Permissible Requests by Covered Entity. Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Standards if done by the Covered Entity, except that Business Associate may use and disclose PHI for data aggregation, and management and administrative activities of Business Associate, as permitted under this Section of the Contract.
- (k) Term and Termination.
  - (1) Term. The Term of this Section of the Contract shall be effective as of the date the Contract is effective and shall terminate when the information collected in accordance with provision (g)(10) of this Section of the Contract is provided to the Covered Entity and all

- ii. Immediately terminate the Contract if Business Associate has breached a material term of this Section of the Contract and cure is not possible; or
- iii. If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(3) Effect of Termination.

- i. Except as provided in (k)(2) of this Section of the Contract, upon termination of this Contract, for any reason, Business Associate shall return or destroy all PHI received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity. Business Associate shall also provide the information collected in accordance with section (g)(10) of this Section of the Contract to the Covered Entity within ten (10) business days of the notice of termination. This section shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the PHI.
- ii. In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction infeasible. Upon documentation by Business Associate that return or destruction of PHI is infeasible, Business Associate shall extend the protections of this Section of the Contract to such PHI and limit further uses and disclosures of PHI to those purposes that make return or destruction infeasible, for as long as Business Associate maintains such PHI. Infeasibility of the return or destruction of PHI includes, but is not limited to, requirements under state or federal law that the Business Associate maintains or preserves the PHI or copies thereof.
